- 3.2.1 Subject to the provisions of this Agreement that provide the contrary, license, sell, rent, lease, transfer, assign, distribute, display, disclose, or otherwise commercially exploit, or otherwise make the Services and/or Documentation available to any third party except the Users, or
 - 3.2.2 use or permit the use of the Services or any software, hardware, application or process in a manner that interferes, disrupts, or otherwise breaches the security, integrity, policies or

- procedures of the Services, or any servers, systems or networks connected to the Services, or harasses or interferes with Our other customers' use and enjoyment of the Services or
- 3.2.3 attempt to copy, modify, duplicate, create derivative works from, frame, mirror, republish, download, display, transmit, reverse compile, disassemble, reverse engineer or otherwise reduce to human-perceivable form, or distribute all or any portion of software making up the Services and/or Documentation (as applicable) in any form or media or by any means; or

4. Intellectual Property Rights

- 4.1 All rights, title and interest in and to all of Our patents, inventions, copyrights, trademarks, domain names, trade secrets, know-how and other intellectual property and/or proprietary rights in or related to the Services, including the Documentation, and any part of it (collectively, "Our Intellectual Property Rights"), are owned or licensed by and shall remain exclusively with Us and/or the Sub-Processors. Except as expressly stated herein, the Agreement does not grant the End-User any rights to, or in, our Intellectual Property Rights (whether registered or unregistered), or any other rights or licenses in respect of the Services or the Documentation. You hereby grant Us (i) a limited license to process and disclose Service Data for the purposes of and as permitted under these Terms; (ii) a fully paid-up, royalty-free, worldwide, transferable, sub-licensable, irrevocable and perpetual license to request and incorporate any feedback, suggestions, recommendations, enhancement requests about the Services that You may provide Us; and (iii) a fully paid-up, royalty-free, worldwide, transferable license to use Your name and logo to identify You as Our customer on the Websites or in other sales or marketing materials, provided that We will not issue any press release without Your prior consent.

5. Fees and Payments

- 5.1 **Subscription Fees, Payment, Taxes, and Refunds.** You shall be charged the Subscription Fee based on the Plan You choose for the Services. Unless otherwise specified in these Terms or in an Order Form, the Subscription Fees are (i) payable in the currency represented on the invoice and due in full immediately upon each due date with respect to a Subscription until Your Subscription is terminated in accordance with these Terms; (ii) non-refundable; and (iii) exclusive of any taxes, levies, duties, fees or other amounts assessed or imposed by any government authority ("Taxes"), for which You are solely responsible. You authorize Us and/or Our authorized agents, as applicable, to bill and automatically charge You the Subscription Fee, including for any Renewal Subscription Term (as defined below) using the selected payment method. You must notify Us of any change in Your payment Account information, either by updating Your Account or via e-mail to finance@sendmarc.com.
- 5.2 **Delayed Payments/Non-Payment of Subscription Fees.** Where We do not receive payment towards the Subscription Fees within the due date for a Subscription, You shall be notified of such non-payment. We must receive payments within a maximum of thirty (30) days from the date of Our notice

to You, failing which, in addition to Our right to other remedies available under law, We may (i) charge an interest for late payment at 2% over the current bank lending rate per month on the outstanding balance; (ii) suspend Your access to and use of the Services until We receive Your payment towards the outstanding Subscription Fees; and/or (iii) terminate the Subscription in accordance with these Terms. In the event You in good faith dispute any charges invoiced by Us, You shall promptly pay all undisputed charges within the due date, and shall notify Us in writing of any such disputed amounts within thirty (30) days of the due date, identifying in reasonable detail Your reasons for the dispute and the nature and amount of the dispute. All amounts not timely and appropriately disputed by the due date shall be deemed final and not subject to further dispute.

- 5.3 **Suspension.** In the event of Your actual or threatened breach of these Terms, including any suspected unauthorized activity on Your Account or non-payment of Subscription Fees, We have the right to suspend all or part of Your Subscription(s). You agree to cooperate with Us in any investigation into any unauthorized activity and where Your breach remains uncured for fifteen (15) days following written notice, We reserve the right to terminate the Subscription and/or these Terms with immediate effect. We may disable Your End-Customer's Service access for legal or regulatory reasons or as otherwise permitted under this Agreement and We will notify You of such within 48 hours. In this situation, We will also suspend billing to You for that End-Customer's Subscription until the Subscription is re-activated.
- 5.4 **Price Adjustments.** We reserve the right to adjust the Subscription Fees for our Services in accordance with inflation rates for Subscriptions that have surpassed the Initial Subscription Term. Any price adjustments will be based on the Consumer Price Index (CPI) or a similar measure of inflation. We will provide you with at least 30 days' notice before any such price adjustment takes effect. Your continued use of the service after the effective date of the price adjustment constitutes your acceptance of the new Subscription Fees.
- 5.5 **True Ups.** For Subscriptions priced on a per-user basis, the Subscription Fees will be based on the number of users specified at the time of subscription. Adjustments to the number of users (and corresponding Subscription Fees) will generally be made at the time of subscription renewal. However, if we become aware of a change in the number of users exceeding 20% during the Subscription term, we reserve the right to adjust the Subscription Fees accordingly, effective from the date of such change.

6. Subscription Term and Termination

- 6.1 **Subscription Term and Renewal.** Your Subscription for the Services will remain in effect throughout the Subscription Term specified on the Order Form, unless terminated as set forth below; provided however, that this Agreement shall survive with respect to any Order Form in effect at the time of such termination until expiration or termination of such Order Form. Except as otherwise specified in the Order Form, Your Subscription to the Services will automatically renew for the same period as the current Subscription Term (each, a "Renewal" or "Renewal Subscription Term"), unless either party gives the other party written notice of non-renewal at least 30 days in advance prior to the end of the then current Subscription Term. For purposes of providing the aforementioned notice, notice provided via email to finance@sendmarc.com will suffice. For avoidance of doubt, this Agreement will automatically expire at the end of the last of Your last Subscription Term.
- 6.2 **Termination.** Without affecting any other right or remedy available to it, either party may terminate the Agreement with immediate effect by giving written notice to the other party if:
- 6.2.1 The other party is in breach of this Agreement and if the breach is capable of remedy, fails to remedy such breach within 30 (thirty) calendar days of receipt of a notice to do so; and/or
 - 6.2.2 the other Party becomes insolvent, makes or has made an assignment for the benefit of creditors, is the subject of proceedings in voluntary or involuntary bankruptcy instituted on behalf of or against such Party (except for involuntary bankruptcies which are dismissed within sixty (60) days), or has a receiver or trustee appointed for substantially all of its property.

6.3 Effect of Termination:

- 6.3.1 All rights granted under the Agreement shall immediately terminate. We shall not be liable to You or any other third party for suspension or termination of Your Subscription if done in accordance with these Terms.
- 6.3.2 Each party shall return and make no further use of any property, Documentation and other items (and all copies of them) belonging to the other party;
- 6.3.3 Sendmarc may destroy or otherwise dispose of any of the End-User Data in its possession unless Sendmarc receives, no later than ten days after the effective date of the termination of the Agreement, a written request for the delivery to the End-User of the then most recent back-up of the End-User Data. Sendmarc shall use reasonable commercial endeavors to deliver the back-up to the End-User within 30 days of its receipt of such a written request, provided that the End-User has, at that time, paid all Fees and charges outstanding at and resulting from termination (whether or not due at the date of termination). Sendmarc shall pay all reasonable expenses incurred by Sendmarc in returning or disposing of End-User Data; and
- 6.3.4 any rights, remedies, obligations or liabilities of the parties that have accrued up to the date of termination, including the right to claim damages in respect of any breach of the agreement which existed at or before the date of termination shall not be affected or prejudiced.

7. Confidentiality

- 7.1 Each of the Parties will protect the other's Confidential Information from unauthorized access, use or disclosure in the same manner as each of the Parties protects its own Confidential Information, and in any event, no less than reasonable care. Except as otherwise expressly permitted pursuant to these Terms, each of the Parties may use the other's Confidential Information solely to exercise its respective rights and perform its respective obligations under these Terms and shall disclose such Confidential Information solely to those of its respective Affiliates, employees, representatives and agents who have a need to know such Confidential Information for such purposes and who are bound to maintain the confidentiality of, and not misuse, such Confidential Information. For purposes of these Terms, Your Confidential Information includes Service Data, and Our Confidential Information includes the Services, Documentation, and the contents of these Terms and Order Form(s).
- 7.2 The receiving Party may disclose Confidential Information of the disclosing Party to the extent compelled by law or a court or other judicial or administrative body. The receiving Party shall make reasonable efforts to notify the disclosing Party of such compelled disclosure in writing (to the extent legally permitted). The receiving Party will take reasonable measures to protect the Confidential Information from undue disclosure as if it were the Party's own Confidential Information being requested.
- 7.3 Subject to the terms of these Terms, the receiving Party will return to the disclosing Party all Confidential Information of the disclosing Party in the receiving Party's possession or control and permanently erase all electronic copies of such Confidential Information promptly upon termination of the relevant Subscription(s) and/or these Terms. At the disclosing Party's request, the receiving Party will certify in writing that it has fully complied with its obligations under this Section 7 (Confidentiality).
- 7.4 No party shall make, or permit any person to make, any public announcement concerning the Agreement without the prior written consent of the other parties (such consent not to be unreasonably withheld or delayed), except as required by law, any governmental or regulatory authority (including any relevant securities exchange), any court or other authority of competent jurisdiction.
- 7.5 All confidentiality obligations shall remain in force and effect for the Subscription Term plus one (1) year. The provisions of this Section 7 (Confidentiality) shall supersede any non-disclosure agreement between the Parties entered prior to these Terms that would purport to address the confidentiality of Confidential Information and such agreement shall have no further force or effect with respect to Confidential Information.

8.Data Security and Privacy

- 8.1 **Security of Service Data.** We process Service Data using appropriate technical and organizational measures to protect the Service Data. We have no access to direct email flow or any of its contents. You acknowledge and agree that the Sendmarc Group and Sub-Processors may also process information about You, Your Subscription and Account, Users and End-Customers, including Service Data, to (i) provide the Services and perform its obligations under these Terms, including, without limitation, to respond to Your support requests; (ii) demonstrate new features, products, and Services (iii) comply with the law or respond to lawful requests or legal process; (iv) professionals and advisors in order to protect the Sendmarc Group or Your customers' or partners' rights or property; and (v) act on a good faith belief that such disclosure is necessary to protect the personal safety or avoid violation of applicable law or regulation.
- 8.2.2 You represent and warrant that You have the necessary consents, permissions, authorizations and right to allow Us to process and transfer Service Data in accordance with these Terms, the Privacy Notice (to the extent applicable), the Data Processing Addendum and any other agreement or addendum executed by the Parties, including processing and transfer of Service Data in and to countries which may have different privacy laws from Your country of residence or establishment.
- 8.2.3 You understand that it shall be Your responsibility to inform the Users and End-Customers (including on Our behalf, as applicable) about the processing of their Personal Data in accordance with these Terms, the Privacy Notice (to the extent applicable), the Data Processing Addendum and any other agreement or addendum executed by the Parties, and, where required, obtain necessary consent or authorization for Your or Our use of any Personal Data that You provide Us or is collected as part of Your use of the Services.
- 8.2.4 Unless We explicitly agree otherwise in writing, You shall not provide Sensitive Data at any time to the Services and We will have no liability whatsoever for and in connection with the Sensitive Data. For purposes of these Terms, "Sensitive Data" means (i) identification number, passport number, driver's license number, or similar identifier (or any portion thereof), (ii) employment, financial, genetic, biometric or health information, (iii) racial, ethnic, political or religious affiliation, trade union membership, or information about sexual life or sexual orientation, (iv) Account passwords, (v) date of birth, (vi) criminal history, (vii) mother's maiden name or (viii) any other information or combinations of information that is deemed sensitive under the legal framework of any applicable jurisdiction.
- 8.2.5 The End-Customer shall own all right, title and interests in and to all of the Service Data and shall have sole responsibility for the legality, reliability, integrity, accuracy and quality of the Service Data.
- 8.3 **Other Data Services**
- 8.3.1 You acknowledge that the Group and the service providers they use may aggregate and analyze technical and other data regarding Your use of the Services that is non-personally identifiable with respect to You, Users and End-Customers ("Anonymized Aggregated Data"). We will not identify You, Users or End-Customers as the source of any Anonymized Aggregated Data. The Group and the service providers they use shall process and enrich the Anonymized Aggregated Data in its systems to (i) provide, support, improve, enhance and operate the Services and its availability; (ii) develop new features, products and

services; (iii) compile statistical reports and record insights into usage patterns; and (iv) perform its obligations under these Terms.

8.4 Sub-Processors, Other Services and Third-Party Content

- 8.4.1 We may engage certain third parties to assist in the provision of Services (each a “Sub-Processor”), whose products or services form an integral part of the Services that We provide. The products and services provided by the Sub-Processors do not include any of the Other Services (as defined below).
- 8.4.2 You may at Your discretion, (a) integrate with the Services, certain third-party products and services (“Other Services”); or (b) use links in the Services to third-party websites, resources or content (“Third-Party Content”), whereby each of such Service or content is governed by the respective third party’s terms and privacy policies. You understand that We do not warrant, endorse or assume any liability or responsibility with respect to Other Services or Third-Party Content, including Your enablement or use thereof, any sums due or transactions thereunder, or provision of any support. You agree to address any comments, queries, complaints or feedback about such Other Services and Third-Party Content with the respective third-party provider of the Other Services or Third-Party Content. By enabling the Other Services, You understand that data may flow between the Services and the Other Services.

9. Disclaimer of Warranties

- 9.1 Except as specifically provided, the Services and Software are provided on an “AS-IS” and “AS AVAILABLE” basis and We specifically disclaim any and all representations, conditions and warranties of any kind, whether express, implied, statutory or otherwise including but not limited to warranties of non-infringement merchantability, and fitness for a particular purpose.
- 9.2 You acknowledge that We, on behalf of Ourselves, the other Group companies and the Sub-Processors, do not warrant that access to the Services which is provided over the internet and various telecommunications networks, all of which are beyond our control, will be error-free, uninterrupted, timely, secure or free from viruses or other malicious software, will meet your quality and performance requirements, or will be corrected for any defects within a stipulated period pursuant to any service level agreement.

10. Indemnification

- 10.1 **By Sendmarc.** We will defend You against any claims, demands, suits or proceedings made or brought by a third party (“Claims”) against Yourself to the extent based upon an allegation that the Services, as furnished by Us hereunder and used by You within the scope of this Agreement, misappropriates any third-party trade secret or infringes any third party’s copyright or patent or trademark rights, and will indemnify and hold You harmless against damages awarded by a court or settlements agreed by Us in connection with such Claims. We shall have no liability under this Section to the extent that any Claims (a) are presented to Us by You more than two (2) years after termination or expiration of the Order Form for the subject Services; (b) are based on any modification or combination of the Services with products, services, methods, content or other elements not furnished by Us; or (c) are based on any use of the Services in a manner that violates this Agreement or the instructions given to You by Us. The foregoing states the entire obligation of Sendmarc with respect to any Claims for alleged or actual infringement or misappropriation of intellectual property rights.
- 10.2 **Mitigation.** In the event of any Claim or potential Claim covered by this Section, We may, in its discretion, seek to mitigate the impact of such Claim by modifying the Services to make them non-infringing, and/or by suspending or terminating Your or Your End-Customer’s use of the Services upon reasonable notice to You (provided, in the case of such suspension or termination, that We will refund

to You a portion of Fees prepaid by Yourselves for the then-current Subscription period, prorated to the portion of that Subscription period that is affected by the suspension or termination).

- 10.3 **By You.** You will defend Us against any Claims arising from Your use of the Services in violation of this Agreement or the applicable Documentation, and will indemnify and hold Us harmless against damages awarded by a court or settlements agreed by You in connection with such Claims.
- 10.4 **Process.** Each party's indemnity obligations are subject to the following: (a) the aggrieved party will promptly notify the indemnifier in writing of the applicable Claim; (b) the indemnifier will have sole control of the defense and all related settlement negotiations with respect to the Claim (provided that the indemnifier may not settle any Claim in a manner that would impair any of the aggrieved party's rights or interests without prior written consent, which will not be unreasonably withheld); and (c) the aggrieved party will, at the indemnifier's expense, provide all cooperation, information and assistance reasonably requested by the indemnifier for the defense of such Claim.
- 10.5 **Exclusive Remedy.** The foregoing states Your sole and exclusive rights and remedies, and Our (including Our employees', agents' and sub-contractors) entire obligations and liability, for infringement of the intellectual property right or right of confidentiality.

11. Limitation of Liability

- 11.1 **Indirect Damages.** Except for damages payable to third parties under the indemnification obligations of section 10 or damages resulting from breach of the confidentiality obligations in section 8, to the maximum extent permitted by law, neither party, nor its respective Affiliates, officers, directors, employees, agents, suppliers, licensors or service providers (and, with respect to Chargebee, the sub-processors), shall be liable for consequential, incidental, indirect, special, punitive or other damages, or for lost profits, business interruption, loss of business or information, or costs of procuring substitute goods or services, arising out of this agreement or the use of or inability to use the Services to be provided hereunder, even if advised of the possibility of such damages or could have foreseen such damages.
- 11.2 **General Damages.** Except for our indemnification obligations under section 10 or damages resulting from breach of the confidentiality obligations in section 8, to the maximum extent permitted by applicable law, the aggregate liability of each party, its respective Affiliates, officers, employees, agents, suppliers, licensors, and service providers (and, with respect to Sendmarc, the sub-processors) relating to the Services, use thereof and these terms shall be limited to an amount equal to the Subscription Fees paid or payable by You in the six (6) months prior to the first event or occurrence giving rise to such liability, in connection with the Subscription to which the claim relates. For clarity, the above limitations shall not limit your payment obligations to Us for the Services. No claim may be pursued by You more than one (1) year after the facts giving rise to such claim have arisen.
- 11.3 In jurisdictions which do not permit the exclusion of implied warranties or limitation of liability for incidental or consequential damages, each party's liability will be limited to the greatest extent permitted by law.

12. Survival

- 12.1 Sections 3 (Your Responsibilities), 4 (Intellectual Property Rights), 5 (Fees and Payment), 6 (Subscription Term, Termination and Suspension), 7 (Confidentiality), 8 (Data Security and Privacy), 9 (Disclaimer of Warranties), 11 (Limitation of Liability), 12 (Survival), and 13 (Miscellaneous) of these Terms and such other provisions that by their nature are intended to survive termination, shall survive any expiration or termination of these Terms. Expiration and/or termination of these Terms shall not limit either Party's liability for obligations accrued as of or prior to such expiration or termination, as applicable or for any breach of these Terms.

13. Miscellaneous

- 13.1 **Status of Parties.** Except as specifically provided for in the Order Form, nothing in these Terms shall be deemed to constitute a partnership, joint venture, employment or franchise between the Parties, nor constitute any Party as the agent of the other Party for any purpose or entitle any Party to commit or bind the other Party in any manner.
- 13.2 **Entire Agreement.** These Terms, including any Order Form(s), constitute the whole agreement between the Parties and supersedes any previous arrangement, understanding or agreement between them relating to the subject matter they cover. Each of the Parties acknowledges and agrees that in entering into the Agreement it does not rely on any undertaking, promise, assurance, statement, representation, warranty or understanding (whether in writing or not) of any person (whether party to this Agreement or not) relating to the subject matter of this Agreement, other than as expressly set out in the Agreement.
